LIEOTANDUM FOR: Director of Raval Intelligence Department of the Eavy

Subject: Naval Intelligence Collection Instructions (NICI, Appendix A).

- 1. It is noted in Article 5001 of Appendix A to Naval Intelligence Collection Instructions that certain over-all directives regarding covert collection are supplied for the benefit of Naval Intelligence personnel on foreign posts.
- 2. This Article, particularly sub-paragraph 3, thereunder, appears to be in direct conflict with the provisions and spirit of MSCID-5 regarding espionage and counter-espionage.
- 3. Not only do the instructions in Appendix A appear to run counter to MSUID-5 but recent incidents prove the statement that uncoordinated covert collection simply means "blowing" both organized and unorganized covert collecting.
- 4. It is requested that article 5001 be amended to bring its terms into consonance with the provisions of MSCID-5.
